**SPP Grants for Iranian Researchers; 1<sup>st</sup> Announcements**

Dear colleagues of the SPP2176,

According to the negotiations of our DFG-SPP committee, I am sending you herewith the estimated schedule for the first grant applications for Iranian projects. We address Iranian researches to submit research proposal that can be associated with the general research outline of the SPP Iranian Highland Program.

The proposal should not extend 2500 words

The estimated financial support of each project may not extend a max. amount of 4000 €

Deadline of submission is the 25.2.2020 // 6 Esfand 1398

Therefore, SPP-committee can proceed the process of decision along the SPP workshop and may finalize the decisions (for 6 grants) on the 4<sup>th</sup> of March 2020// 14 Esfand 1398.

The idea of limitation to 4000,- was in order to support at least 6 projects in the first round

The applications can be send per email to following email address: [dfg.spp@gmail.com](mailto:dfg.spp@gmail.com)

Mrs. Sepideh Jamshidi can automatically forward the received documents to you.

Please find the draft of announcement attached. A Farsi version will be created by Mrs. Jamshidi. Please do not hesitate for changes and addendums. We may need at least one contact/responsible and email address from your side.

Thank you very much for your consideration and generous support.

Sincerely  
Judith
